Memo: Update to AU Facilities policy on small, local, and disadvantaged businesses

AU Facilities Policy:

Certified Business Enterprises (CBEs) and small, local, and disadvantaged businesses designated by the District of Columbia.

It is AU Facilities policy to require at least 35% participation by CBEs on contracts worth \$500,000 or more, and to target a goal of 35% CBE participation on contracts worth less than \$500,000.

A searchable database of CBEs is available online here:
