

## **American University Neighborhood Partnership Steering Committee Summary**

July 28th, 2022

### Key Discussion Points:

- Welcome, review agenda
- Facilities Planning Report Out
- Continued Discussion on Neighborhood Memo
- Closing Comments and Adjourn

Summary: The July Steering Committee kicked off with a report out from Natalie Ambrose and Jonathan McCann of the Facilities Planning working group on their initial discussions of the Jacobs Field project, including details the preliminary design, the tree preservation efforts, and the sound monitoring process. The group also discussed the process for engagement with affected parties moving forward. Next, the Steering Committee continued discussion on the dispute resolution process. AU promised to have a detailed written response prior to the next committee meeting.
