

## Graduate On-Campus Programs 2023-2024 Cost of Attendance

The cost of attendance (COA) for your program includes both direct expenses and indirect expenses for the combined fall 2023 and spring 2024 semesters. The direct expenses are the items such as tuition or fees for which American University will bill you directly. The indirect expenses are items for which you may need to pay out of pocket such as off-campus housing, food, transportation, and books/supplies. Off campus housing and other indirect expenses are based on average costs in the DC area and may increase or decrease based on the cost of living at that time.

All numbers above are estimated and may be updated at any time.
