PREFACE

The Office of Institutional Research and Assessment is pleased to present the 2023-2024 edition of the *Academic Data Reference Book* (ADRB). The current edition joins 53 previous issues to form a continuum of information about academic aspects of American University. In 1971, the ADRB was described as an ‘experimental’ first edition, and the goal of current publication follows the tradition established 53 years ago. It evolves along in providing the community with reliable and useful information related to these 6 sections: student enrollment, admission, retention and graduation rates, degrees conferred, course enrollment, and faculty and staff.

The web version of the ADRB, which includes consecutive historical editions, can be accessed from the OIRA website. Please check this site occasionally for any updates or revisions to this report.

The Office of Institutional Research and Assessment extends its thanks to those individuals and offices that contributed suggestions, information, and other assistance in the preparation of the 2023-2024 Academic Data Reference Book. Any suggestions, comments, or questions regarding this publication are welcome.

ADRB DEFINITIONS

Abroad at AU	Program for students from other countries who want to study at AU for a limited period, usually a year or a semester. Abroad at AU students are nondegree.
Accelerator	AU partnership with Shorelight Education, consisting of Undergraduate Accelerator (pre-bachelor's) and Master's Accelerator (pre-master's) designed for international students, combining English-language support and some for-credit courses which are transferable to an AU degree-seeking program upon successful completion of program requirements. This program started in Fall 2016. Some students enroll in a noncredit Pre-Sessional English program prior to commencing an AU Accelerator program.
Adjunct Faculty	A non-tenured-line AU employee hired on a part-time basis in a faculty position and whose primary role is teaching.
Adjusted Cohort	A subset of an entering cohort resulting from removal of students based on allowable exclusions per National Center for Education Statistics guidelines. Reasons for exclusions include no-shows, deaths, religious missions, or military service. Entering cohort counts at census—not adjusted cohort counts—are used elsewhere in AU's internal dashboards and reports and therefore may not match data reported in ADRB Section 3 tables.
Census Date	The day on which AU takes a snapshot of student data to ensure consistent reporting for each semester. For fall and spring semesters, it is the end of the sixth week of classes; prior to Fall 2019, it was the end of the fifth week of classes. The summer census date is July 15. All admission and enrollment reporting in the ADRB is as of the census date.
Class Standing	Student class standing is determined by the total number of credits earned, not entering academic term. First-year standing is less than 30 credit hours; sophomore standing is 30-59 credit hours; junior standing is 60-89 credit hours; senior standing is 90 credit hours or above. Credits in progress are not included.

Cohort/Entering Cohort	A group of students who enter the institution at the same degree level in the same term and who maintain registration as of the census date. Entering cohorts, also referred to as cohorts, are used in reporting graduation and retention rates of special academic and co-curricular programs, such as living-learning communities (LLCs), three-year bachelor's degree programs, self-identified first generation college students, invite-only Summer Transition Enrichment Program (STEP) participants, and Pell grant recipients.
Collegiate	Launched in Fall 2017, American Collegiate (formerly American Access) is another AU-Shorelight Education partnership program designed for international students. Its nondegree design combines English-language support and some for-credit courses which are transferable to a bachelor's degree program at a partner or affiliated university (including AU, if desired) upon successful completion of program requirements.
Credit	A credit course is one that, if successfully completed, can be applied toward the number of credits required to achieve a degree, diploma, or other recognized postsecondary credential.
Degrees Conferred	The number of degrees (or certificates) granted to students upon completion of their program's requirements, which may exceed the number of graduates since students may earn more than one degree (or certificate).
Faculty Rank	Academic rank, sometimes referred to as title, is the consolidated categories of professor, associate professor, assistant professor, instructor, and lecturer, which align with American Association of University Professors (AAUP) and federal reporting requirements, and which appear in ADRB tables 6-1 and 6-2. Other faculty ranks reported in ADRB tables 6-3 and 6-4 include those assigned to in-residence, library and research faculty.
Faculty Tenure Type	Designation of faculty appointment status as tenure-line or non-tenured-line for full-time faculty. Tenure-line includes tenured and tenure track, and non-tenure-line includes term. Other tenure types are continuing and pre-continuing statuses of some library faculty.
Faculty Type	Classification of faculty status as teaching, administrative, or other and may refer to tenure-line or non-tenured-line faculty. Teaching faculty is defined by the American Association of University Professors (AAUP). Administrative faculty, not reported to AAUP, include positions such as president, provost, deans, and associate deans. Other faculty type, not reported to AAUP, includes research faculty/post-doctoral fellows, librarians, and faculty on leave without pay/medical-related leave.

First Generation	First generation status is based upon responses to admissions application questions regarding parents' education. First generation students are students who self-report that no parent has completed a bachelor's degree.
First-Year	A first-time first-year undergraduate student admitted to AU who has not previously been enrolled at the undergraduate level at any institution.
Full-Time Equivalent (FTE)	An alternative method to headcount for counting student enrollment by which the number of full-time students plus the total student credit hours of part-time students is divided by the minimum number of credits to be considered a full-time student at the same academic level. Thus, students attending full-time or part-time are weighted. (Note: This calculation changed in 2009 so care should be taken when making historical comparisons.)
Full-Time Faculty	An AU employee hired full-time in a faculty position. Full-time faculty can fall into one of several faculty type categories including teaching, administrative, library, and research depending upon their primary responsibilities as defined in their contract.
Full-Time Staff	An AU employee hired full-time in a position where their primary responsibility is not teaching.
Full-Time Student	Student status that is derived by meeting a minimum student term credit hour load: undergraduate degree-seeking, nondegree, and certificate students—12 or more credit hours in a fall or spring semester or during summer sessions; graduate degree-seeking, nondegree and certificate students—9 or more credit hours in a fall or spring semester, or 4 or more credit hours during summer sessions; law students—12 or more credit hours in a fall or spring semester, or 6 or more credit hours during summer sessions.
Full-Time Teaching Faculty	Full-time faculty whose primary responsibility is teaching, as stipulated by percentages in their contract, with smaller percentages for scholarly research, creative works, service, or administration.
Gender	ADRB gender definitions align with those used for federal reporting requirements, which only allow for binary gender values. Gender is self-reported and grouped into the following categories: women or men. If no gender is reported, then the person's gender is categorized as not reported. A person is counted only in one category. AU students, staff, and faculty may designate their pronouns and/or gender identity; therefore, gender data reported elsewhere in AU's internal dashboards and reports may not match data reported here.

Graduation Rate	The ratio of students in a cohort as of census of their entering term minus any allowable exclusions who have graduated within a specified number of years.
Headcount	A number of people (count) in a defined group. With respect to enrollment, students attending full-time or part-time are each counted once. Unless otherwise specified in the ADRB, headcount is unduplicated (meaning each individual student is counted once in their first major and in their highest degree).
International	A person with non-U.S. citizenship who is in the U.S. on a temporary basis, has a visa, and who is not a permanent resident.
Intersession	Beginning in AY 2021–22, AU added a nonstandard Winter Intersession Term covering a 2-3-week period between the Fall and Spring semesters. Winter Intersession enrollments are captured under the fall semester.
Law	Includes all students in the Washington College of Law, including JD, LLM, MLS, SJD, nondegree, and certificate (unless otherwise specified).
Level	Also referred to as an Academic or Degree level is a student’s level of education based on their academic program. Students may be classified at the broadest levels of undergraduate (UG) and graduate (GR) or they may be organized more specifically as Bachelor’s, Master’s, Doctoral, Law, Nondegree and Certificate UG, or Nondegree and Certificate GR. The most detailed classification further delineates the levels by online or MM and lists each of the law degrees by name (Juris Doctor, Master of Laws, Master of Legal Studies, and Doctor of Juridical Science).
Maintaining Matriculation (MM)	One of three enrollment options for graduate students not enrolled in credit course work but utilizing university services which allow graduate students to maintain their enrollment. (The other options are Continuing Enrollment and Doctoral Dissertation enrollment.)
MicroStrategy	One of AU’s business intelligence systems used to report AU data.
Noncredit	A noncredit course has no credit applicable toward a degree, diploma, certificate, or other recognized postsecondary credential. A program is a noncredit program if all classes required for the program do not convey University credit.
Nondegree	An academic program of study that does not lead to a degree or certificate.

Online Course	A course in which instruction is delivered exclusively via a virtual instructional modality rather than face-to-face.
Part-Time Student	Student status that is derived by a student term credit hour load less than the minimum credit load required to be considered full-time: undergraduate degree-seeking, nondegree and certificate students—fewer than 12 credit hours in a fall or spring semester or during summer sessions; graduate degree-seeking, nondegree, and certificate students—fewer than 9 credit hours in a fall or spring semester, or fewer than 4 credit hours during summer sessions; law students—fewer than 12 credit hours in a fall or spring semester, or fewer than 6 credit hours during summer sessions.
Pre-College Nondegree	High school students enrolled in regular university courses who have not been admitted to a degree program or certificate program, but who are enrolled for credit received before the student has earned a high school diploma. Also referred to as dual enrollment. (Please see the term Accelerator for a definition of one of AU’s pre-college programs.)
Race/Ethnicity	ADRB race/ethnicity definitions align with those used for federal reporting requirements. Race/ethnicity is self-reported and grouped into the following categories: American Indian/Alaska Native, Asian, Black or African American, Hispanic/Latino, Native Hawaiian/Other Pacific Islander, and White. A person who has reported two or more races and did not report Hispanic/Latino ethnicity is reported as multiracial. A person with non-U.S. citizenship who is in the U.S. on a temporary basis, has a visa, and who is not a permanent resident is reported as international. A person is counted only in one category. Race/ethnicity data reported elsewhere in AU’s internal dashboards and reports using non-federal reporting categories may differ from data reported in the ADRB.
Retention	Students in a cohort as of census of their entering term who are still enrolled at census of a later term.
Retention Rate	The ratio of students of a cohort as of census of their entering term minus any allowable exclusions who re-enrolled as of census of a subsequent term.
School of Education	The School of Education separated from the College of Arts & Sciences as of July 2019, forming a standalone school.
School of Professional & Extended Studies	The School of Professional & Extended Studies (SPExS) was dissolved as of July 2021. Its programs were primarily realigned under the newly created Office of Global & Immersive Studies (OGIS) and Office of Graduate & Professional Studies (OGPS).

School/College/Office	This is a student's affiliation based on their primary program of enrollment or a faculty member's affiliation based on their contract. AU houses nine schools, colleges, and offices: College of Arts & Sciences (CAS), Kogod School of Business (KOGOD), School of International Service (SIS), School of Communication (SOC), School of Education (SOE), School of Public Affairs (SPA), Washington College of Law (WCL), Office of Global & Immersive Studies (OGIS), and Office of Graduate & Professional Studies (OGPS).
Second Major	The secondary of two or more majors in the pursuit of a single degree.
Student Credit Hours	The sum of the credit hours per student course registration.
Study Abroad (Non-AU)	Program allowing non-AU students to study abroad through an AU-sponsored program.
Transfer Student	A student admitted to AU who is transferring credits into their AU program. If the transfer credits are from another institution, the student is an external transfer; otherwise, the student is an internal transfer based on transfer credits from AU.
T-Terms	AU's 4-term programs used in select Kogod School of Business, School of International Service, and Washington College of Law online graduate programs. T-Term time periods encompass January-March for T1, April-June for T2, July-September for T3, and October-December for T4. The first T-Term at AU was 2019T2. The ADRB reports on T1, T3, and T4 beginning with 2019T3.

*Student class standing is determined by the total number of credits earned, not entering academic term. First-year standing is less than 30 credit hours; sophomore standing is 30-59 credit hours; junior standing is 60-89 credit hours; senior standing is 90 credit hours or above. Credits in progress are not included.

**This is a joint program with another school/college/office or department. Please look at enrollments in other schools or departments to get a full understanding of enrollment in this major.

School/College/Office counts depict total number of unique students. When a student is pursuing dual majors, they will appear in the count for the primary major and school so that school and major totals reflect that student only once (unduplicated).

Enrollment as of Census Date October 7, 2023. Fall 2023 includes 2023T4.

*This is a joint program with another school/college/office or department. Please look at enrollments in other schools or departments to get a full understanding of enrollment in this major.

**The student enrollment count is the sum of all students majoring in a particular program. A student with two majors will be listed twice (duplicated). Therefore, totals here will not match enrollment in other tables in this section except for Major 1 totals.

Enrollment as of Census Date October 7, 2023. Fall 2023 includes 2023T4.

*This is a joint program with another school/college/office or department. Please look at enrollments in other schools or departments to get a full understanding of enrollment in this major.

The student enrollment count is the sum of all students majoring in a particular program. A student with two majors will be listed twice (duplicated). Therefore, totals here will not match enrollment in other tables in this section except for Major 1 totals.

Enrollment as of Census Dates.

**Business Administration (MBA) includes two major codes. Teaching (MAT) includes seven major codes.

Table includes maintaining matriculation.

School/College/Office counts depict total number of unique students. When a student is pursuing dual degrees, they will appear in the count for the primary degree and school so that school and degree totals reflect that student only once (unduplicated). Student enrollment load reflects the sum of all credit hours for any student with concurrent enrollment in Fall and T⁴ academic terms.

Enrollment as of Census Dates.

*Law includes JD, LLM, MLS, SJD, and nondegree and certificate. Master's, doctoral, nondegree and certificate level totals exclude law programs at the master's, doctoral, nondegree and certificate levels.

Degree level counts depict total number of unique students. When a student is pursuing dual degrees, they will appear in the count for the primary degree so that degree level totals reflect that student only once (unduplicated). Student enrollment load reflects the sum of all credit hours for any student with concurrent enrollment in Fall and T4 academic terms.

Only categories with data are included in this table.

Enrollment as of Census Date October 7, 2023. Fall 2023 includes 2023T4.

*Master's, doctoral, nondegree and certificate level totals exclude law programs at the master's, doctoral, nondegree and certificate levels.

AU students studying abroad are included in their appropriate school. Also counted in their appropriate school are 9 pre-college nondegree students in special programs.

School/College counts depict total number of unique students. When a student is pursuing dual degrees, they will appear in the count for the primary degree and school so that school and degree totals reflect that student only once (unduplicated). Student enrollment load reflects the sum of all credit hours for any student with concurrent enrollment in Fall and T4 academic terms.

*Students who began in the program as first-years. Students may opt-out of the program after initial enrollment yet remain enrolled at AU. University cohorts are not mutually exclusive. Honors excludes those who enter the program after their first term.

Entering fall term cohorts include students who entered AU in the summer session prior to the fall of the cohort year.

ADRB Section 3 tables use adjusted cohort counts to exclude no-shows, deaths, religious missions, or military service; initial cohort counts at census are used elsewhere in AU's internal reporting. Past data may be adjusted for several reasons including students successfully petitioning for graduation and improved reconciliation of students' records.

Graduation rates are through the summer of each year. Totals and percentages of graduates are cumulative.
